\*See warranty booklet for more information

Add fashion and function to your backyard with a beautiful NuImage Retractable Patio Awning. With the simple touch of a button you can extend your awning in seconds. The shade an awning provides can reduce the temperature on your deck or patio by up to 20 degrees. A NuImage Awning will also add equity to your home, and will provide years of lasting performance and enjoyment.

7700 has a sleek front bar that may be fabric wrapped or unwrapped.

End Cap

7 Pin Shoulder

The durable extruded shoulder offers 7 pitch selections, making your desired awning angle easy to achieve.

Choose from a wide selection of motors and controls to make your awning completely automated.

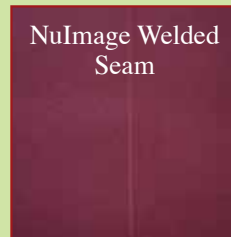

Add an optional Weatherguard Cover protect your fabric from the elements and dirt while retracted. Recommended for motorized awnings.

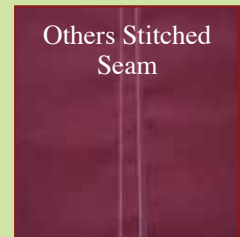

Wall Bracket

May be roof mounted when wall space height requirements cannot be met.

NuImage Welded Seam

Others Stitched Seam
