

# K300

Fully Cassetted  
Retractable Awnings

The K300 Retractable Awning is the perfect solution for installations with minimal mounting space. The combination of its compact, state of the art design, and it's elegant fully enclosed cassette define the phrase "Where Fashion Meets Function". Double wall extrusions, drop forged castings and Sunbrella Fabrics make this awning strong and beautiful. With a Lifetime Frame Warranty the K300 is truly a cut above the best!

The optional drop screen provides added solar protection when the sun is in a lower position.

The optional Roof Mount kit provides all the necessary heavy-duty powder coated brackets for roof mount installation when wall space height requirements cannot be met.
