

# RIVIERA

*Alutex...your one source for all your awning needs.*

Anodized aluminum components

Convenient,  
easy installation

Hundreds of fabrics and colors to dress your home

Riviera is a retractable canopy designed to provide a maintenance free solution while offering the best possible resistance to weather conditions.

Its aluminum frame totally made of extra light anodized components can project up to five feet out and twenty feet across, while offering a Mediterranean flavor for shade to the design of your windows.

Retracts  
a few  
inches...

... from  
the  
wall

Four or five ribs available
