The 8700 Retractable Awning is the elegant way to provide shade on demand, reducing cooling costs while protecting your family from harmful UV rays. NuImage Awnings combines superior quality engineering and state of the art technology. All frame components have an electrostatic powder coated durable finish to prevent chipping and cracking. You can depend on NuImage Awnings when only the best will do.

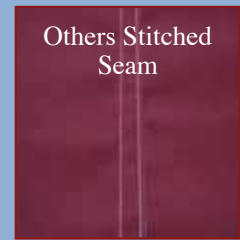

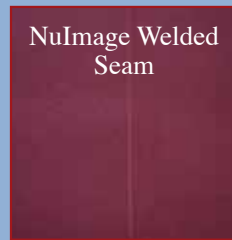

The heavy duty front bar with wrapped fabric provides superior strength as well as a clean uniform appearance.

Premium built arms with stainless steel chain tension system. Stainless steel hardware and fasteners.

Flex-pitch control allows you to raise or lower the angle of your awning with the turn of the hand crank.
